Heart and lung

In the Gesundheitszentrum Oberammergau the two vital organs heart and lung, whose failures within seconds is life-threatening, are the central focus of our attention. In our specialised clinic we offer follow-up treatment/stationary rehabilitation treatment in the fields of cardiology and pneumology – with a new concept for patients suffering of lung diseases.

Orthopaedics

Back problems, spinal disorders etc. can make life hell. The medical center Klinik am Kofel has also the official approval for follow-up treatment after hospitalization in the fields of orthopaedics.

Comfort, style and atmosphere

The Klinik am Kofel in the Gesundheitszentrum Oberammergau is one of Germany's leading addresses in the matter of prevention. A team of highly qualified medical specialists and therapists takes care of you professionally and individually. Based on diagnosis at the highest level we develop together with you an individual therapeutic plan.

Around the clock a registered specialist staff takes care of our patients. In case of emergency there are all medical facilities up to intensive monitoring with the possibility of artificial ventilation on hand.

In the personal atmosphere of the Aktiv- und Vitalhotel am Kofel you will experience advanced medicine in a house with feel-good character (see reverse side).
